RE: Citizens' Oversight Committee Membership

Background

A Citizens' Oversight Committee was established on March 8, 2011 upon certification of successful election results of a Proposition 39 bond in November, 2010. The purpose of the committee is to inform the public, at least annually in a written report, concerning the expenditure of the bond proceeds.

One vacancy exists due to Peggi Johnson's recent employment with Jefferson School District which prohibits her from serving on the committee.

Staff is requesting approval of the appointment of **Angela Hewey.**

Angela has been a resident of the district for twelve years and has been an involved parent of three children in the district. Her work experience is in the accounting field with extensive computer and communications skills.
