Box Tops & Labels for Education Contest

We are having our fall contest for Box Tops and Labels for Education (LFE). The top 3 classrooms that collect the most Box Tops or LFE **by October 27th** will be rewarded with donuts and hot chocolate!

Box Tops and LFE are collected throughout the year. You can always turn them into your child's teacher for collection.

(Send the trimmed Box Tops or LFE to school in separate Ziploc bags with the teacher's name printed on the bag. Please only send in the trimmed soup label with UPC and point value. **NOT** the entire soup label from the can.)

Created nearly 20 years ago to Promote friendship and cross cultural understanding with our Sister City in Memuro, Japan, the Tracy Youth Exchange

Program has proven to be a wonderful experience for almost 200 Tracy area 8th grade students. Each year as many as ten students are chosen to represent our community for nine days in Japan as part of a home stay experience. In addition to home stay, students also have the opportunity to tour local area museums, shrines and schools. Students are chosen for the program based on leadership skills, responsibility and maturity.

We hope you will take a minute to announce to your 8th grade student that applications for the 2015 Tracy Youth Exchange Program to Japan are available for pickup at the Traina front office, or online at tracysistercity.org.

For interested students and parents who would like to know more regarding the program, there will also be an informational meeting to be held :

Wednesday, October 15th from 6:00 - 7:00pm at LOLLY HANSEN SENIOR CENTER (375 E. 9TH ST)
