## A note from the Principal ~

Dear Jefferson Families,

WOW!! What a wonderful talent show we had last week. Thank you to all of the participants and family and friends that attended. The students put in countless hours to perfect their talents, and it was an absolute pleasure to see them perform. The Jefferson Choir opened our event, and if you haven't had the chance to hear them, I highly suggest you come out to our next event! They are amazing!!

Our first week of CAASPP testing went smoothly. The students are going above and beyond in pushing themselves to do the best they can. They are sure enjoying the treats too! Thank you for getting your children to school every day and on time; it does make a difference.

This coming week we will continue CAASPP testing for 7<sup>th</sup> & 8<sup>th</sup> grades. Also, 5<sup>th</sup> and 8<sup>th</sup> graders will be taking the State Science test on Monday. Furthermore, students are working hard on their Physical Fitness Testing. This Friday is Hawaiian Day! Yes, flips flops are allowed and we can't wait to see the school spirit. Friday evening is the Hawaiian Luau dance from 6:00 – 8:00 for students with ASB membership.

Also, this Thursday is the third annual Jefferson/Monticello Family Science Night, "Ex Marks The Spot!" This event will take place in the Monticello Cafeteria from 6:00 – 7:00. Bring your reusable shopping bag and receive an extra raffle ticket. The event includes Ex-citing Ex-periments and Ex-traordinary Ex-ploration! We hope to see you there.

We thank you for your continued support! Please do not hesitate to contact me with any questions or comments.

Thank you,

Alyssa Wooten  
Principal
