## A note from the Principal ~

Dear Jefferson Families,

WOW!!! Only 9 days to go! This year has flown by and we have a jam packed two weeks coming up. I'd like to thank you all for such an amazing year at Jefferson. Our students, teachers, and families exude excellence. The continued support does not go unnoticed and it's what makes Jefferson School such a wonderful place to call home.

Each morning I read an announcement to the students from Project Wisdom, our character education curriculum. These words are some they will hear this week that mark an end to our school year.

Are you counting the days? Summer vacation is almost here and it's time for ice cream, swim suites, bare feet, and summer fun! Just think about all of that free time. What are you going to do with all of it? Well, think about this. We want you to use your time wisely. We want you to make wise choices and exercise good judgment. And, because there will probably be more opportunities than usual to get into trouble, we want you to think carefully before you act and consider the consequences of your actions.

Parents, please share these words with your child. Let them know that although they might not been in school over the summer, we expect excellence during the summer time too!

I look forward to seeing you all at our events over the next two weeks. As always, feel free to contact me at (209) 835-3053 or [awooten@sjcoe.net](mailto:awooten@sjcoe.net) with any questions or thoughts.

Sincerely,

Alyssa Wooten

Principal
