A note from the Principal ~

Dear Jefferson Families,

This year sure flew by! I'd like to take this opportunity to thank all of the families, staff members, and students for an amazing first year as principal. I am absolutely honored to be part of this incredible school. The staff worked extremely hard this year to prepare our students for success and for the next grade level. Our students are ready for a well- deserved summer.

Here is a student chosen quote to sum up the 2015-2016 school year:

"You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose. You are on your own and you know what you know. You are the guy to who'll decide where to go." ~ Dr. Seuss

Be sure to check emails and keep an eye out for Back to School Packets over the summer break. As always, please feel free to contact me at awooten@sicoe.net with any suggestions or questions. I hope you all enjoy your time off and we look forward to seeing you in the Fall of 2016.

Sincerely,

Alyssa Wooten
