Thursday (8/18)

- Project Wisdom – Journal Writes and Class Discussion

Saturday (8/20)

- Mr. Spikes' Birthday

Project Wisdom:

Education

Our education is indeed a gift, a gift that millions of young people around the world will never receive. A synonym of the word gift is benefaction, which means something that benefits. An education benefits us in more ways than we can count. Spend some time this week discussing with your child the importance of your education and how it has benefited you. Help them set goals for the year, post them on the refrigerator, and periodically check in with them on their progress. Make this a great year or not the choice is yours.

Question of the Week:

Why is my education a gift?
